CHAIRMEN OF BOTH GREAT PARTIES CLAIM VICTORY

Will H. Hays Says 32 States Certain For Republicans And Seven More Probable.

Minimum Republican Electoral Votes Placed at 368 And As High As 382.

Predicts Greatest Republican Majority On Record

(By Associated Press)

New York, October 29.—Will H. Hays, chairman of the Republican National committee, today issued a statement in which he said an official Republican survey of the country indicated Harding would receive the "largest popular majority ever cast" in a presidential election.

The Democratic strategy, he said, "in this campaign has desperately sought to escape just and due responsibility for Democratic extravagance, autocracy and failure to solve any of the domestic problems."

"The Democratic management has attempted to hide behind a peace smoke screen which is as counterfeit as the 1916 pledge that Wilson would 'keep us out of war.'"

"But America is uppermost in the American conscience today and that means the American voter is intent upon making America safe at home as well as abroad."

"I have one hundred percent faith in complete Republican victory because I have one hundred percent confidence in American common sense. Thirty-two states are surely Republican; 7 probably Republican, and only nine at most safely Democratic."

"The minimum number of safe Republican electoral votes is 368. There is very much better than even chance for 24 more making the almost certain Republican electoral vote 382, with a probable additional 24."

Mr. Hays added the Republican majority would exceed "the unprecedented Roosevelt electoral majority of 1904."

PRINCE PAUL IS PROCLAIMED GRECIAN KING

Succeeds King Alexander Whose Death Occurred Recently

(By Associated Press) Athens, Greece, October 29.—Prince Paul, younger brother of the late King Alexander, was proclaimed by the Greek Parliament this evening.

Prince Paul was born in this city December 1, 1901, and is not married. Since his father, former King Constantine, left Greece, Prince Paul has been with him in Switzerland.

ROBS BRANCH POSTOFFICE

(By Associated Press) Washington, October 29.—An unmasked man robbed a branch city post office located in an exclusive residential section today and escaped with \$550. Entering the office just after it had been opened by a woman clerk the man asked for a money order and then passed around the counter after drawing a revolver. He rifled the cash drawer but overlooked another containing \$2,000.

PRAISE IS GIVEN COX BY WILSON

Expresses Admiration For The Fearless Work in Campaign

Believes Cox Will Receive Emphatic Endorsement

(By Associated Press)

Washington, October 29.—President Wilson today wrote Governor Cox expressing his confidence in the Democratic presidential nominee.

The President expressed the hope that, under Governor Cox's leadership, "we carry the policy of the national government forward along the path of liberal legislation and humane reform until the whole world again sees an illustration of the whole strength of democracy and the happy fruit that the founders of the Republic purposed when they set this great government up."

The President said he had followed Governor Cox's course throughout the campaign with "admiration" and expressed the belief that the Governor would receive the "emphatic endorsement" of the voters of the country.

"You have spoken truly and fearlessly about the great issues at stake," the President said, and in concluding his letter he asked that he be permitted to sign himself "your gratified and loyal supporter."

TUMULTY PRAISES WOODROW WILSON

(By Associated Press)

Washington, October 28.—An intimate picture "of the manner of man this Woodrow Wilson really is," based on ten years as his private secretary and touched here and there with hither to unpublished incidents in the President's official life, was drawn tonight by Joseph P. Tumulty, speaking at a Democratic meeting in Maryland.

Mr. Tumulty described the president as "a man as strangely misunderstood by some and as violent misrepresented by others as any man in the whole history of American politics."

"With the approach of Mr. Wilson's retirement to private life," Mr. Tumulty said, "it seems to me not improper to tell a few things about the leading actor in this great drama of the past eight years."

GREAT EPIDEMIC STRIKES SALEM WATER BLAMED

Typhoid Outbreak in Ohio City Keeps Doctors Busy

Several Hundred Are Suffering From The Disease

(By Associated Press) Alliance, Ohio, October 29.—Polluted water has caused an epidemic of typhoid fever in Salem, a town of about 11,000 people east of Alliance. Scores have been stricken by the scourge and doctors and nurses have been taxed to the limit in the past week.

Dr. H. K. Yaggi stated today that twenty doctors were spending practically all of their time attending the patients and that a call had been issued for additional nurses.

The exact number who have been stricken with typhoid is not definitely known. One physician stated today there were 65 cases regarded as serious and others stated in their opinion as many as three or four hundred are suffering in a mild way from the scourge.

Health Officer Dr. R. M. Schwartz stated today there were 81 well defined cases of typhoid up to last evening.

LORIMER REPLIES TO GOVERNOR COX

(By Associated Press)

Philadelphia, October 28.—George Horace Lorimer, editor of the Saturday Evening Post, in a statement tonight in reply to charges of "unfair partisanship on the part of the Post and its editors" made today by Governor Cox, said in part:

"It is common knowledge that the Saturday Evening Post is not influenced in its stand by a desire for more circulation. Partisanship to Governor Cox means being against him and what he stands for."

The Saturday Evening post has always had perfectly clear cut opinions of politics and other subject and has never hesitated to express them."

"MISSING LINK" IS TO BE SOUGHT BY NEW EXPEDITION

Roy Chapman Andrews.

Roy Chapman Andrews, noted explorer, will head the expedition of the museum of natural history, American Asiatic Association and Asia Magazine to Asia in search of the "missing link." The promoters and noted persons have supplied a fund of \$250,000 for the trip. It is believed the expedition will bring back the greatest natural history collection in the world.

HARDING REPLIES

(By Associated Press)

Akron, O., October 28.—Replying to charges of a "senatorial oligarchy," Senator Harding declared in a speech here tonight that he was not the candidate of any clique or combination but was absolutely "unpledged and unbossed."

Despite a drizzling rain, a torchlight parade escorted him through downtown streets and crowds thronged the sidewalks.

In asking for a Republican Senate, Mr. Harding said that many of the difficulties of the last session were due to the slender Republican majority and to the fact that "a number of so-called republican senators were not always Republicans."

BODY REACHES EMERALD ISLE FOR INTERMENT

All South Ireland Mourns Death Of Lord Mayor of Cork

Business Suspended and Anger Expressed at British Action

(By Associated Press)

Queenstown, Ireland, October 29.—The body of Terrence MacSwiney, the late Lord Mayor of Cork, was landed here today from the steamer Rathmore. It was received by the urban council and thousands of the city's inhabitants. A draft of armed troops was present.

The relatives and other mourners who refused to accompany the body after it had been removed to the steamer by the police at Holthead last night attended the services here.

Dublin and the whole of southern Ireland were in mourning today with the tramways and other public services suspended and hotels not serving meals. Many of the shops had sealed fronts.

Business was completely suspended and strong indignation was expressed by British government action in diverting the body instead of allowing it to proceed to Cork by way of Dublin.

MT. STERLING TRIO HELD FOR PASSING WORTHLESS CHECK

(By Associated Press)

Columbus, October 28.—Helen Sonnar and Marie Osborn, each 18 years old, and LeRoy R. Drais 21, all of Mt. Sterling, Ohio, are under arrest here on charges of passing worthless checks.

The girls are alleged to have purchased clothing at a local store, tendering a check in payment. They were arrested in Cleveland and returned here.

Drais is accused of defrauding a hotel. The girls will be arraigned in court Friday while charges against the man will be tried on Monday.

LeRoy Drais resides in Madison township, this county, and has been in other difficulties prior to the present one. He is a farmer.

VOICE OF SENATOR SHOWING STRAIN

Harding Continues His Tour In Ohio With Night Speech At Cincinnati

Continues Assault On Wilson Policies

(By Associated Press)

On Board Senator Harding's Train, October 29.—Swinging through Western Ohio, now the central battle ground of the national campaign, Senator Harding pressed forward vigorously today his assault on the Wilson policies at home and abroad.

Pleas for maintained nationality and constitutional government again were the mainstays of the candidate's arguments for Republican victory.

The Senator's voice, affected by a cold, showed decided signs of strain today, and he saved it as much as possible in his speeches to the crowds at the way stations. Tonight, he is to address a large Cincinnati audience.

IS NOT MAKING PARTISAN FIGHT DECLARES COX

Says He Would Fight Democrat If Opposed to League

Speaks to Capacity Houses In Eastern Ohio

(By Associated Press)

Youngstown, O., October 29.—Brief reference was made here today by Governor Cox to the speech yesterday of Senator Harding, at Akron.

"The Senator said he wanted a Republican government installed," said Governor Cox in two addresses to capacity audiences. "He's making a purely partisan campaign. I'm not fighting for a Democratic victory. If there was a Democratic candidate against the league I'd not only vote against him but I'd make speeches against him."

Many questions were asked. All went smoothly until some fellow said: "Do you know, Governor, that after November 2 you'll be playing pin-ochle in Dayton?"

There were cries of "throw him out," but the Governor gave orders against such action declaring the interjection did not deserve attention.

M'GRAW HELD UNDER \$500 BOND

(By Associated Press)

New York, October 29.—John J. McGraw, manager of the New York Nationals, pleaded not guilty today to the federal indictment charging him with violation of the Volstead act by possessing a bottle of whiskey.

The indictment was returned yesterday after an investigation of an affray at the Lambs Club last August in which McGraw was involved. He was released on \$500 bond.

George White Declares Eleventh Hour Shift Means Democratic Victory

Says Republicans Are Demoralized and Will Lose Many Key States.

Border States Are Claimed For Cox by White

(By Associated Press)

New York, October 29.—George White, chairman of the Democratic National Committee, today made a forecast of the election results.

"The general political situation at the close of the last week of the campaign is full of signs that point unmistakably to Democratic success," he said.

"Governor Cox and Mr. Roosevelt will carry the border states of Maryland, West Virginia, Kentucky, Missouri and Oklahoma, in addition to the southern states. They will carry Ohio and Indiana."

On the Atlantic Seaboard in New York, Massachusetts and Rhode Island due to an eleventh hour shift the situation is improving every minute and we feel certain we will carry New Jersey, Connecticut and New Hampshire.

"In the west reports from Montana, Colorado, Arizona, Idaho, New Mexico, Nevada, South Dakota and Utah are that they are certainly Democratic and we believe we'll carry Nebraska, California and North Dakota. In Minnesota, Oregon and Wisconsin our prospects are hourly improving and a great swing toward us is on in Kansas, Illinois, and even in Iowa."

"The Republicans are demoralized from the Canadian border to the Gulf and the Atlantic to the Pacific. Their forces are in full retreat everywhere."

NAME SPECIAL ATTORNEY FOR NEW YORK CASE

(By Associated Press)

Washington, October 29.—Appointment of Joseph Kaufmann as special assistant to the District Attorney at New York to conduct a federal investigation into the alleged combinations in the building materials market in that city was announced today by Attorney General Palmer.

This is the federal government's first step in the direction of prosecution of alleged violation of anti-trust laws among building materials dealers.

TO THE VOTERS OF FAYETTE COUNTY

As the time for the election draws near, I realize that it will now be impossible for me personally to see all the voters of the County, and to all, I take this method of saying that I have been engaged in the general practice of law in the various courts of the State and in the Federal Courts, for the period of thirty five years, and have and always have had unflinching respect for courts and Judges, and I believe that my long experience has fully qualified me to discharge the duties of the office, and I earnestly and respectfully solicit your support in my candidacy for the office of Probate Judge of Fayette County.

Respectfully,
NYE GREGG.

WILL ORGANIZE NEXT WEEK FOR THE ROLL CALL

Preparations Have Been Postponed Until After Election.

Fayette's Quota Is 5,000—Renewal Starts Armistice Day.

Although the date is not definitely set, the Fayette Red Cross Chapter will meet to organize for the annual Roll Call next week.

No action will be taken before that time, it is said, due to the confusion and excitement of the election which has absorbed all interest in other matters.

Fayette County's quota has been set at 5,000. Last year the county made a record by running up a total of over 3,500 but the Red Cross Committee is not anxious over the result.

The committee wishes it understood that the Roll Call is not a drive for membership, but an opportunity to renew membership. The Roll Call starts November 11, Armistice Day, and continues until the 25.

The Red Cross Committee Friday morning issued these reasons why the membership should be renewed.

"The Red Cross must be prepared to meet any disaster caused by fire, flood, storm or epidemic.

"The Red Cross is establishing Health Centers, in co-operation with official and other Health Agencies, for health information and instruction.

"The Red Cross is building up the Country's nursing resources.

"The Junior Red Cross is developing a finer type of American citizenship.

"The Red Cross is still serving the Army and Navy, as well as caring for the ex-service men.

"The Red Cross is answering Humanity's call by continuing its relief work in many countries.

To The Taxpayers and Renters of Property:

The taxes in this city in 1918 were 15 mills, or 1.50%.
The taxes in this city in 1919 were 15.50 mills, or 1.55%.
The taxes in this city in 1920 will be 18 mills, or 1.80%.

We are asked to vote next Tuesday for an increase of two mills, making 20 mills, or 2% on every dollar for which property is appraised.

In many cases property is appraised for more money than it will bring on the market.

In the event that this increase in taxation is carried, it will mean that taxes will be ONE-THIRD more than in 1918 and may also mean increased rents in this city.

TON OF CHAINS COME TO LIGHT MAN ARRESTED

Mysterious Thefts Around
Waterloo Cleared Up By
Thursday Arrest.

Last Thing Stolen Was
Roof From Building And
This Proved Too Much.

When Deputy Sheriff A. C. Nelson, armed with a search warrant obtained by H. H. Skinner and E. L. Albright, of Waterloo, went to the home of Seldon Freeman aged about 40, near Waterloo, Thursday evening, he found one of the largest collections of stolen goods ever assembled in that part of the county.

When the deputy appeared he was accompanied by Messrs. Skinner and Albright, who had obtained first hand evidence against Freeman before filing the charge, and a few neighbors, and it is claimed that all of the neighbors present readily identified some of their property which had been stolen, presumably by the man arrested.

It is claimed that fully a ton of chains of all description were stacked in one of the buildings, and that harness, saws, axes, fishing tackle, and scores of other articles were found which bore evidence of having been stolen.

Messrs. Skinner and Albright are owners of Crabill park and for some time were bothered by some unknown party stealing nearly everything loose. A few days ago a roof disappeared from one of the buildings, and this was a little too much, so an investigation was started and the roof found on one of Freeman's buildings.

When the deputy appeared a brother of Freeman is said to have seized a stone and made threats, but the deputy's gun suddenly appeared and the man was forced to cease his warlike attitude.

Freeman was brought to this city and placed in the county jail until he could be arraigned before Justice T. N. Craig on a charge of larceny.

Auctioneers were Col. John Bingham, Bluffton, Ind.; Col. R. T. Scott, and Col. M. W. Eckle, Horace, Ireland acted as clerk.

The Special Levy

This is a time when we must recognize that municipal living has increased along with our individual living expenses. The conditions, however, have "caught" the municipalities harder than they have individuals. The laws of the state hedge about the money raising processes of municipalities until the most of them are facing bankruptcy.

We have gone along with improvements and, as a result, have conditions of which we are all justly proud. But we are "up against it" apparently. We must lower our standard or raise more money. It's poor business as well as disagreeable to lower our standard.

We must realize, however, that that is the alternative presented. We don't want to pay more taxes. But we can't, in fairness to ourselves, stop there. Unless we get more money we must live more cheaply and that can't be done unless we dispense with actual necessities of municipal life.

We dislike to advocate a raise in tax rates but when not to do so means conditions we dislike infinitely more we are going to advocate a higher levy.

MacSwiney's Death

The tragic death of Terrence MacSwiney, former Lord Mayor of Cork, in Brixton jail, we believe has not been in vain. It is inconceivable that so heroic a sacrifice as MacSwiney made would not be productive of some great good, and it will.

The result which now seems most probable, is that it will end the hunger strikes for all time.

Prisoners of prominence, especially the women among them have presumed that the heart of the public would be touched by a hunger strike, in a way that would secure for them immunity or at least, a mitigation of the punishment.

The tragic death in Brixton jail is compelling proof that the processes of the law, correct or not, working for justice or for injustice, according to the conscience of the prisoner, cannot be halted by a hunger strike.

That the law must take its course is re-established, beyond controversy, as an indisputable, if at times regrettable, fact.

The heart of the public is moved to pity by the sufferings of the hunger strikers, self imposed, but sympathy and pity will not satisfy the demands of the law.

At an awful cost the law has again proven its supremacy. Another martyr has gone to join those who have died for principle and it is inevitable that some good will follow.

The world has never seen a more tragic, a more heroic death than that of Terrence MacSwiney. While his supreme sacrifice may not bring immediate good to the cause he loved, it will bring immediate results for good to humanity.

Soldier Candidates

The wholehearted support which The Herald has given to Lieutenant Paul F. Dye as a candidate for representative in Congress from this district as against S. D. Fess, based as it has been, and is, upon the fact that Lieutenant Dye is a veteran of the world war and as such being equal, or superior to, his opponent in qualifications for the position he seeks, he should be given preference over his opponent applies to every soldier candidate.

Wherever, in candidacies for political preferment, there is no special reason why the vote should be denied him—lack of character, qualification or the like—the voter should mark his ballot for the soldier candidate no matter on what party ticket his name appears.

Local people know local candidates, they know the qualifications of candidates intimately, their abilities, their fitness and their records of service and for that reason it has not been deemed necessary to make special mention regarding local soldier candidates.

We have mentioned Lieutenant Dye's candidacy because he was not known so intimately locally.

What we have said, however, for him and the reasons we have urged for his support we mean, without qualification, to apply to every soldier candidate asking the support of the voters.

If the soldier candidate is as well qualified as his opponent, vote for the soldier every time.

POETRY FOR TODAY

DUTY

Could I but do one worthy deed,
 Or write one living line
 To fill the measures of my need—
 Could I but sow one fruitful seed,
 Then were contentment mine,
 Could I but sing one living song
 To banish mortal pain,
 Could I but right one crying wrong
 Or help one weaker soul along,
 I had not lived in vain.

So vast the universe, so cold
 The peaks to which we climb.
 So gray the skies, the stars so old!
 So many sheep strayed from the fold
 And so swift fleeting Time—
 Strive as I may, somehow it seems
 That each succeeding sun
 Finds me yet distant from my Dreams
 On paths rock strewn, with swollen
 streams
 And no day's Journey done

Yet must I carry on the fight,
 Still I must do my best
 So, when I pass from out the Night
 Into the Day, into the Light,
 My weary Soul may rest!

DEMOCRATS SEE ELEVENTH HOUR SWING TO COX

Republicans Give Figures To Offset Claims of Opponents

Situation in Eastern States—The New York Fight is Over Governorship.

BY MARK SULLIVAN
 (Copyright 1920)

Washington, October 29.—In attempting to compare official forecasts and estimates as to various states coming from Democratic managers and from Republican managers you encounter the difficulty that the estimates are made up in different ways, and are not therefore really comparable. Some Democratic leaders honestly believe that there is just now a change of psychology of the same kind that enabled Wilson to defeat Hughes at the last hour in 1916.

These Democratic leaders are almost exalted in their state of mind, and talk in the vocabulary of a religious revival. When you ask them for figures and specific reports from counties and precincts, they candidly admit that they have no such figures to report, and that they are relying on figures that on something that is, as they say, "in the air."

When you talk with Republican managers, on the other hand they deal wholly in terms of figures and concrete reports from party workers. They have the advantage of the exactness of data, the fruit of the kind of complete party organization all the way down the line which the Republicans have and the Democrats have not.

The net result of such comparison as can be made between the estimates of the two groups of managers coincides as a rule with the judgment of unbiased observers. And as respects the four states that are classed as eastern, that is New York, Pennsylvania, New Jersey and Delaware, the net is that Cox is not likely to carry more than one of them. The one in which he seems to have some chance is Delaware.

In Delaware a good many signs favor Cox, but, on the other hand, it is a fact that this is the first time in many years when the Republicans in Delaware have not been weakened by factionalism. As some one put it, it is the first time when some one member of the Du Pont family has not been fighting to get the Republican organization away from another member of the same family.

Situation in New Jersey
 In New Jersey, in spite of the overturn that took place in the state in 1918, the confident judgment of the Republican leaders and the more cautious judgment of those Democratic leaders who are conservative is to the effect that Harding will get these fourteen electoral votes.

In New York it is generally conceded that the real fight is not between Cox and Harding. Harding is confidently expected to carry the state. Neither is the real fight on Wadsworth's return to the senate, although he is opposed by an aggressive group of Republican women leaders who resent his attitude on woman suffrage. The real fight in New York is on the governorship.

This fight is made complex by the presence of Dudley Field Malone, running on the third ticket. Mr. Malone eight years ago when Mr. Wilson was first running for the presidency and both before and after that event was one of half a dozen young Democratic leaders who worked hardest for Mr. Wilson and were closest to him personally. President Wilson appointed Mr. Malone Collector of the Port of New York, but about three years ago Mr. Malone suddenly resigned his office. He gave as his reason resentment against the President for what was at that time the latter's attitude of resistance to woman suffrage. Whether or not this was the whole reason for Mr. Malone's resignation does not matter. The fact is he not only left Mr. Wilson but left the Democratic party and became identified with elements that came together at Chicago last June to organize a third party.

Effect on Miller and Smith
 In his candidacy for governor Mr. Malone has just this week received the endorsement of the Hearst newspapers, and it has been demonstrated in recent elections that the Hearst newspapers can account for a considerable number of votes in New York City. What effect this development will have on the fortunes of the two regular party candidates can only be guessed.

The Democrats have renominated the present governor, Al Smith, who is undoubtedly the best vote getter,

and probably justly to be called the best available man they could have named. He has not only made himself popular in his own party but has won praise from many Republican leaders. With equal certainty the Republicans are running their best possible man. Indeed Judge Miller is probably the best candidate for Governor that the Republicans of New York have put up since the time of Justice Hughes.

Judge Miller's candidacy restores to New York politics something of the flavor of such men as Justice Hughes, Grover Cleveland and Samuel J. Tilden. Miller has had much the same sort of career as Justice Hughes. He started as a struggling lawyer and rose to be justice of the supreme court, justice of the court of appeals, and head of the bar association of the state. He attracted national attention as a man of independent leaning by his willingness to put Mr. Hoover in nomination for the presidency at the Chicago Convention, an act which was by no means deferential to the Republican organization.

The fight for the governorship is conceded by leaders of both parties to be the real fight in New York must be the real fight in New York. As to conceded now, as it was in 1916, to the Republicans.

Smaller Vote for Penrose
 Pennsylvania is of course a sure Republican state, but there is one interesting situation there which has escaped public attention outside. Senator Penrose is a candidate for reelection. Without doubt he will win, but I have heard one of the two or three highest Democratic leaders in that state offer to make a bet that Penrose would get less than half the votes. This does not mean any expectation that the Democratic candidate will win, but there is a woman running independently who will get a very large number of votes. Also

"Tire Shopping" is Not Very Satisfactory Now - a - Days

No, it's not the best of policy to just shop around for tires; the "bargains" you may find are not worth the risk. It's much better to be satisfied that "you get just what you pay for."

And that's our argument for the tires and tubes we handle; they give you all the service their cost justifies; and when you consider them on the true basis of tire buying—cost per mile of service—you will find them bargains.

Known value goods at a known price is what you find here and we certainly take a pride in selling them and unhesitatingly recommend them on the basis of your future business. Isn't that about right?

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The regular business meeting of the Ladies Aid Society of the Maple Grove M. E. Church was held at the home of Mrs. Nora Rowe on the White Pike, Wednesday afternoon with sixteen members responding to roll call.

At this meeting the women decided to give a fish fry in the near future. A delightful social hour was enjoyed at the close of the meeting. The next meeting will be held at the home of Mrs. Almada White November twentyfourth.

Two years ago a group of twelve girls gave a progressive Halloween dinner that was so enjoyable that it again suggested itself this year and the same girls promoted a similar one Thursday night.

But the second dinner so far surpassed the first and proved such a wonderful success that from now on it will be calendared an annual event, and Halloween anticipated with the big holidays of the year.

Six courses were served, two hostesses at each home, and the trip from house to house between courses a big part of the fun.

The fruit cocktail course was served at Dr. McFadden's home, Miss Anna Lee McFadden and Miss Portia Brownell hostesses. The table looked very pretty, with center strips of yellow and black crepe paper, and the center piece a large pumpkin face in a black cap, banked with asparagus fern and bitter sweet at either end big ears of golden corn and the table lighted with yellow candles.

Misses Mary and Jane Durant extended the hospitality of the Durant home for the second course, hot bouillon, wafers and stuffed celery. Illuminated by candles beneath black cat shades, the table presented another effective Halloween picture, a cut glass vase of yellow chrysanthemums mounted on center table plateau, and black cat place cards.

A most appetizing third course of chicken patties, cranberry jelly and rolls was served at the Tanquary home, Misses Ruth Tanquary and Jeanette Haver hostesses. Halloween was fantastically introduced in cut outs of pumpkin faces, black cats and witches, and yellow and black festoons extended over head.

Misses Helen Karney and Mable Sunkle, at the home of the former, served baked beans, baked potatoes, brown bread and pickles.

At small tables in the living room, lighted by pumpkin faces and a single yellow candle in crystal stick burning on each table. Small yellow nut baskets adorned with owls, cats and witches were especially pretty.

The salad course of delicious fruit salad, wafers and coffee, was served by Misses Mary Brown and Kathryn McLean at the Brown home. The table was artistically decorated with a basket of zinnias and at either end candlesticks holding yellow candles.

Appetites, jaded with good things, were whetted for the sixth course by a jolly auto ride to the David Heglar country home on the Chillicothe pike, where Misses Wanda Hegler and Virginia Hays entertained.

On the lawn a ghost greeted them and awaiting the girls at the door, guarded by pumpkin faces, was a real Halloween witch. The home was beautifully decorated with fall flowers and the dining room table, with center basket of nasturtiums.

Golden pumpkin pie with whipped cream finished the dinner to the complete satisfaction of the girls and a huge pumpkin bowl held all the cider the guests could drink.

At each home the mothers assisted their daughters in every way.

Music and dancing were enjoyed as accessories to the courses and the girls lingered at the Heglar home to tell ghost stories, have their futures told and other stunts of the night.

As favors there were little fancy crepe boxes holding sardines for the girls to eat with out drinking water on the Halloween superstition that a dream will follow in which their future husband will bring them a glass of cool water.

Misses Jeanette Weaver and Mary Alice Culhan chaperoned.

Mrs. Val R. McCoy of the Jamestown pike complimented her guests Mrs. Jack Taylor and two children of Columbus, with a delightful noon dinner of pretty appointments Thursday.

Flowers of the fall season were artistically arranged on the table.

Seated with the hostess and honor guests were, Mrs. Ray Wilson and children, Mrs. Warren Hicks and son, Mrs. Willard Creamer and children, Mrs. Hays Dill and children, and Miss Clemens.

Paul Jones, cunning son of Mr. and Mrs. Walter Jones celebrated his seventh birthday with a delightful Halloween party, Thursday afternoon after school hours. His guests were thirty little school mates, and the children of the neighborhood.

The party was given in the play room in the basement, where witches and ghosts greeted the children, and pumpkin faces peeped through the autumn leaves, which formed a high bank.

There was a peanut hunt, bobbing for apples and other games.

Each little guest was served with

an individual birthday cake, iced with chocolate and adorned with a yellow candle. Ice cream cones, apples and candy were also served.

Pretty Halloween boxes filled with candies were the favors.

Mrs. Jones was assisted in entertaining the children by Mrs. Elmer Junk and Mrs. Troy Junk.

Widely extended in its interest is the announcement of the marriage of Miss Martha Minnick, only daughter of Mr. and Mrs. A. W. Minnick, of the Greenfield pike, and Mr. Harry Vincent, eldest son of Mr. and Mrs. Earl Vincent of New Holland, which took place at half past eight o'clock Thursday evening, at the home of the bride, Rev. W. B. Rose, of Stanton, performed the double ring ceremony in the presence of the nearest relatives.

The wedding was quite simple, yellow and white chrysanthemums adding effective autumn decoration.

Just before the appointed hour Miss Juanita Pace, of Roseville, a Sorority Sister of the bride, sang sweetly, "Oh Promise Me," accompanied by Miss Jessie Spellman, of Jeffersonville, also a Sorority Sister.

The young couple took their places unattended.

The bride looked extremely pretty in a smart gown, a Crown model of French design, of blue tulle, elaborately embroidered in gold and black threads, fashioned with accordion pleated panels. At her belt was a corsage of pink rosebuds, which she divided between the two mothers. For going away she wore a top coat of taupe velvet with seal collar, with black velvet draped hat, finished with gold ornament.

Mr. and Mrs. Vincent left immediately after the ceremony for a short wedding trip, and upon their return will reside in an apartment in the Stinson building.

Both young people are popular with a host of friends, who are cordially extending best wishes.

The bride is a graduate of class 1918 of the Washington High School, and attended the Ohio University at Athens the following year, being also a member of the Alpha Sorority.

The past year she taught in the Wilson Centralized School on the Greenfield pike, showing decided ability as a teacher. She will exemplify her year to the gratification of school management and patrons.

The bride groom, a member of an old Fayette County family, graduated in the class of '18 of the Reynoldsburg High School, following which he took a position in the Reynoldsburg bank. For the past year he has been bookkeeper at the Washington Savings Bank of this city his geniality and courteous manner winning for him many business friends.

The floor at Memorial Hall has been re waxed for the Halloween dance, Friday night. This is the first of a series of public dances to be given through out the winter season, under the auspices of the American Legion.

Friday night's dance will not be a masquerade. The University Jazz Orchestra of five pieces from Ohio State University has been engaged for the occasion.

Refreshments will be served during the evening with Mr. Charles Allen in charge.

The spacious country home of Mr. and Mrs. Emmitt King, below Good Hope, was the scene of a delightful family gathering as well as a noon dinner that was a feast of delicious viands Thursday.

The Halloween idea was elaborately carried out in the decorations and dinner. A gorgeous bunch of white and yellow chrysanthemums adorned the center of the long table and overhead swayed a big pumpkin lantern, festooned in autumn leaves, which formed garlands to the damask yellow candles in crystal sticks shed mellow light.

Through out the home pumpkin faces, black cats and other Halloween emblems, and vases of flowers lent pretty decoration.

Mr. and Mrs. King were assisted in the cordial hospitalities of the home by two sons, Messrs. Hayward and James King, and their wives and Ruth King, grand daughter, played prettily during the dinner.

Seated with Mr. and Mrs. King were the brothers, Mr. M. U. King, wife and son, Robert, of Greenfield, Mr. E. L. King wife and son, Willard, of Mt. Sterling; Mr. John W. King, and wife, Mr. Bennett King, wife, son Fred and nephew Conner Allen; Mr. Harry J. King, wife and daughter, Mildred, a sister-in-law, Mrs. Flora King, of Greenfield; other guests were Mr. and Mrs. Horace Wilson, son Mr. Glen Wilson, a son-in-law, of Bloomington, Rev. and Mrs. Moffett, Mr. and Mrs. Ruby Polgren, Miss Holden and Miss Post.

It was regretted that Mr. King's sisters Mrs. Lee Oline, of Lakeview, and Mrs. Ainsie Wilson, of Dayton, were not able to be present to complete the family gathering.

Folder, and pumpkin faces, with festoon garlands were used in transforming the Hixon home on Gregg street, into a real Halloween bower, Thursday evening, where the son Edward entertained forty young people with a very jolly masquerade.

The hosts' brother Henry, and Dale Murray cleverly masked as man and his wife, engineered the evening, and there was fun galore too, with all sorts of games included in the entertainment.

At ten o'clock the guests unmasked and dancing to Victrola music was enjoyed. Later a regular Halloween lunch was served, Mrs. Hixon assisted by Miss Catherine Reardon and Mrs. Vert Wolfe.

Miss Mary Craig has invited the Daughters of the American Revolution to hold the November meeting, on Next Monday afternoon at 2:30, at her home on East street.

The Daughters are anticipating a pleasurable afternoon for which Miss Craig and assisting hostesses are planning an attractive program.

On the occasion of the natal day of Mr. L. M. Sears, well known merchant of Jeffersonville, sixty friends gathered at his house at the noon hour with well filled baskets, Wednesday.

It had been planned to hold the festivities on the large lawn but the weather prevented and long tables were spread in the house.

It was an occasion to be remembered by Mr. Sears, and by Mrs. Sears who shared in the good wishes.

Mrs. Tullie Barker and daughter, Miss Corine were called to Jeffersonville, Thursday night by the illness of Mrs. Barker's brother, Mr. John C. Cannon, who is very low with typhoid fever at his home on the State pike.

Mr. Cliff Reid made a business trip to Cincinnati Thursday remaining over until Friday.

Dr. Roy Brown and Mr. Clark Rog

er were business visitors in Cincinnati Thursday.

B. & O. OFFICIALS ARE GUESTS OF DUTCH TREATERS

Questions of Local Railroad Service
Are Discussed At Noonday
Luncheon at Y. M. C. A.

Officials of the Western Lines of the Baltimore & Ohio Railroad and of the Ohio Division were guests at a special noonday luncheon called by the Dutch Treat Club at the Y. M. C. A. Friday. More than thirty local business men and farmers attended.

Freight Traffic Manager H. R. Lewis of the Western Lines in a short introductory talk at the conclusion of the luncheon explained the business of his party, which concluded here a tour of the division, as a purpose to meet with citizens of the various towns with a view to ascertaining the opinions and wishes of the latter in the matter of railroad service. Mr. Lewis invited the local men to present criticisms or suggestions.

Commissioner Howard Hegler on inquiring what has caused the delay on the Dayton branch of the road in handling shipments from Lima quarries of crushed stone for road building in the county was informed by Division Freight Agent H. G. Settle that he knew of no reason why shipments should be delayed on this branch. Mr. Settle promised that he would take the matter up at once.

In response to a question from Mr. Frank DeWitt as to what was to be done in the matter of improving the local stock pens, both Mr. Lewis and Mr. Settle pointed out that the existing contention as to whether the pens should be allowed to remain within the corporation or moved outside had held up improvement. Mr. Henry Brownell stated that he believed there would be no objection from citizens to the maintenance of the pens within the corporation so long as they were kept in a sanitary condition, which they had not been in the past.

Mr. Lewis in discussing railroad shipping rates stated that the railroads were at present "up in the air" due to the uncertainty over the effect of the recent federal increase allowance, but were attempting to work out an equitable schedule.

The visitors included besides Mr. Lewis and Mr. Settle, General Freight Agent P. D. Freer, Cincinnati; Assistant General Freight Agent C. H. Gomm, Cincinnati; Industrial Agent G. W. Arnold, Cincinnati; and Traveling Freight Agent O. B. Oyer, Chillicothe.

TEAMS HERE PLAYING ON SLIPPERY FIELD

First Real Football Weather of the Year Dawns With Friday Morning.

When Washington high school took the field Friday afternoon against Circleville High both teams took the handicap of playing on a slippery field for the first time this season.

It rained enough during the week, however, to give the backfield men sufficient practice in carrying a wet ball and plunging through the mud.

The Washington backs with their ability to make gains through the center of the line, and never having relied on long end runs which are almost impossible on a wet field, felt safe over the sudden change of underfoot conditions.

Friday morning furnished the first real football weather of the year and instilled great quantities of "pep" into the players of both teams.

SNOWFALL COMES AS REAL SURPRISE

Although the moon beamed down from a cold clear sky until late Thursday night, the Snow Man slipped forth early Friday morning and a covering of fully one inch of snow was left over the city and surrounding territory, much to the surprise of everyone.

Those who say the snow declare it fell rapidly for some little time.

Roofs of buildings and open lots and fields held the snow for several hours.

HOLD CELEBRATION HALLOWE'EN EVE

An invitation has been extended to members only by the Y. M. C. A. for the Hallowe'en celebration and festivities which will take place at seven thirty o'clock Saturday evening.

The committee is arranging a "house of horrors." An athletic program on the gym floor will be given. A social hour with refreshments will conclude the evening.

The Association will not hold a parade, such as was carried out on an elaborate scale last year, but the affair has been made especially for the members and all entertainment will take place in the building.

RESTRAINING ORDER ISSUED

The Common Pleas Court Thursday issued a temporary restraining order to prevent Howard Foster and Homer Foster from tearing away certain buildings which Jacob Henkleman and Judith Henkleman claim belong to certain real estate purchased by them.

Plaintiffs alleged that the defendants claim they have an interest in the buildings in question. Post & Reid for plaintiff.

IT COSTS TOO MUCH TO BE SICK

Keep Your Blood in Good Condition
and You Throw Off Disease

Pay Attention To Your Health

No Need to Take Chances With It.
Pepto-Mangan Makes Rich,
Red Blood

When you first feel a tired, all-gone feeling and look pale, your blood is losing in quality. Weak, impoverished blood has no power to fight disease. It takes red blood to keep you well.

If you keep your blood in good condition it will fight off disease. You will not be such an easy prey to long and expensive sickness. With thin blood you take chances every day.

There's no need doing that. You can take Pepto Mangan and build up rich, red blood. With red blood you are able to win in the fight against prevailing diseases. Try Pepto-Mangan. It comes in tablet or liquid form. Take either kind. The tablet has the same medicinal value as the liquid. But be sure you get the genuine Pepto-Mangan. Ask for "Gude's" and be sure that the name, "Gude's Pepto-Mangan," is on the package.

W. P. HUPP, of Akron, Ohio who says he would not take one thousand dollars for the good Tanlac has done him. Declares his health has been fully restored and that he has gained over 20 pounds.

"I would not take one thousand dollars for the good Tanlac did me," said W. P. Hupp, 339 Camden St., Akron, Ohio, for the past ten years a valued employee with the Firestone Tire and Rubber Co.

"I will always owe a great debt to Tanlac," he said, "because it restored my health completely after everything else failed, and I have gained over twenty pounds. I can now eat better sleep better and work better and I feel like a brand new man."

"Before taking Tanlac I suffered night and day from indigestion and my stomach was terribly disordered. I was nervous and weak and could neither eat nor sleep to do any good. I seemed to be going down hill every day for six years. Finally, my condition became so rundown that I lost one or two days from work every week. But, now since my troubles have been overcome, I can hold my own with any man at the plant, and often after working hard all day, I put in overtime at night and feel none the worse from it. I just seem to be full of new life and energy."

"After seeing the good Tanlac did me, my wife began taking the medicine and now she says she feels better than she has in years."

"Tanlac certainly beats anything I ever saw in my life."

Tanlac is sold in Washington by C. S. Haver, in Lowell by Mason's Drug Store, in Jeffersonville by J. B. Davis, in Octa by I. W. Murphy and in Millidgeville, E. L. Ford Sons, Lee Ortman, Selden. Advt.

TWO MEETINGS THURSDAY NIGHT

Meetings Are Held at Staunton And West Lancaster Thursday Evening.

Two large Republican rallies were held Thursday evening at West Lancaster and at Staunton.

Attorney E. L. Bush and Attorney H. H. Sanderson addressed a large audience at West Lancaster in the church auditorium.

ACKNOWLEDGES HE MADE A MISTAKE

Though there was nothing that would get his liver to acting, overcome his his stomach. Declares the root and constipation, or relieve the gas in herb medicine Drecto, has done all this and more for him.

"I am free to admit that I made a mistake when I thought my troubles were so stubborn that nothing would overcome them," said Mr. W. E. Deamer of 632 West Adams street, Sandusky, Ohio.

"My stomach was in bad condition for after meals I'd fill up with gas and be very uncomfortable from belching and griping pains. I know my liver was sluggish for I often got dizzy and spots would dance before my eyes and my head would ache something awful."

"I frequently had to get up at night on account of my kidneys and had backache and dull pains over my kidneys. My bowels were bound up so that I had to take medicine for that trouble nearly every night."

"As soon as I read about this medicine Drecto, I got a bottle and it went right after my troubles and in a few days I could see that it was doing the work. My improvement continued so today I'm buying 3 bottles of Drecto and feel that they are going to fix me up in fine shape. Drecto is the best medicine I ever took."

All druggists now sell Drecto and it is being especially introduced in Washington C. H. by Frank Christopher. Advt.

Supply and Demand

The heavy demand for building loans has advanced the rate of interest to 7%. Even at this advanced rate, loan companies have been unable to supply the requests for loans. Not until we in turn advanced our rate of interest on time deposits have we been able to secure enough money to supply the demand for building loans. We are now paying 6% on time deposits and hundreds of people have already brought their money to us to deposit at this higher rate of interest.

We Can Afford 6% to Pay

We can afford to pay this one per cent premium for your money because we in turn get it back from the borrower.

Your money is safe deposited with us, because we are still operating under the same method by which we have successfully operated for almost thirty years. Every dollar which we lend out is secured two-fold by first mortgages on improved Columbus real estate.

Send in your idle funds and let them earn a full guaranteed 6%
